

BELIZEAN STUDIES LEARNING OUTCOMES FOR PRIMARY SCHOOLS, BY TEACHING CYCLES AND BY CLASS LEVELS

Class	Cycle 1	Cycle 2	Cycle 3	Cycle 4
Infant 1	Identity in Belize BS 1.1 Record and express personal information such as age, height, gender, date of birth, house address, ethnicity and language spoken in the house. Civics Education BS 2.1 Generate a list and discuss the importance of rules that govern the home. BS 2.2 Role play and justify a variety of roles and responsibilities of family members. BS 2.3 Research and consider the impact on family members when family rules are broken.	African and Maya History BS 3.1 Investigate and discuss Belize's location on a globe and on a map. BS 3.2 Illustrate and identify the districts, cities, towns and major highways of Belize on a map. BS 3.3 Label and describe on a map the five largest water bodies of the world.	Sustainable Development and Climate Change BS 4.1 Name land or water ecosystems close to your community and discuss how people depend on ecosystems for resources. BS 4.2 Explore and illustrate basic webs of life. BS 4.3 Identify plants and animals people use in your community.	Financial Education BS 5.1 Explore and discuss ways people did trade such as exchanging of produce, giving and barrowing before printed money. BS 5.2 Research and analyse the types and value of bills and coins used locally. Road and Personal Safety BS 6.1 Perform a poem, jingle or rhyme expressing the do's and don'ts of pedestrian crossings at roads, intersections or crossings. BS 6.2 Discuss and dramatize ways to stay safe in a variety of potentially harmful situations at home, at school and in other public areas.
Infant 2	Identity in Belize BS 1.2 Investigate and document the cultural aspects, such as food, music & dance, clothing, belief system, and traditional practices, of the different ethnic groups in Belize.	Civics Education BS 2.4 Discuss and illustrate the importance of jobs done by selected community workers such as nurses, doctors, police, BDF and coast guard officers, utility workers, teachers, bus drivers and so on.	Sustainable Development and Climate Change BS 4.4 Differentiate between caring and careless ways of using resources. BS 4.5 Identify and imagine actions that show care for ecosystems and our resources.	Road and Personal Safety BS 6.3 Discuss the importance of and practice wearing the appropriate safety gear and following safety protocols when engaging in sports and other school-related activities.

Class	Cycle 1	Cycle 2	Cycle 3	Cycle 4
	BS 1.3 Investigate examples and describe the roles of a variety of ethnic, political, economic, and religious communities that exist in society. African and Maya History BS 3.4 Create a map of Belize identifying the location of the major settlements of the Maya, Garifuna, Mestizo, Mennonite, East Indian and Creole communities. BS 3.5 Research and prepare a report comparing the customs and cultural practices of at least two of Belize's major ethnic groups in relation to music, dance, art, food, attire, births, deaths, marriages, and other special occasions.	BS 2.5 Discuss and propose responsible and respectful community behavior such as respecting authority figures, keeping the streets clean, waiting patiently in a queue, respecting public property, being polite, crossing a road or street with care, keeping pets under control, treating people equally and so on.	Financial Education BS 5.3 Describe and demonstrate differences between giving, lending, buying, swapping, trading, borrowing and stealing. BS 5.4 Discuss and express some good ways to spend money.	BS 6.4 Demonstrate appropriate actions when responding to a variety of harmful situations at school.
Standard 1	Identity in Belize BS 1.4 Research and organize a culture day to account for cultural diversity in Belize. BS 1.5 Discuss and design an infomercial promoting respect and appreciation for Belize's cultural diversity. BS 1.6 Observe and highlight the traditional and modern cultural	African and Maya History BS 3.6 Locate on a map and compare the basic features of the six continents. BS 3.7 Define and describe the features of a civilization such as economic activities, achievements and social structures.	Sustainable Development and Climate Change BS 4.6 Observe and investigate activities in your community or district that support the people's livelihoods and well-being. BS 4.7 Design a map showing economic activities in Belize.	Road and Personal Safety BS 6.5 Create and dramatize rules for the safe use and storage of medicines found in the home. BS 6.6 Implement and justify medicine safety rules to be used at home and school. BS 6.7 Observe, record and advertise what happens when medicine is misused.

Class	Cycle 1	Cycle 2	Cycle 3	Cycle 4
	features, such as food, clothing, belief, customs, music, and dance, of the different ethnic groups found in Belize. Civics Education BS 2.6 Investigate and Illustrate ways students can make changes at the community and national level. BS 2.7 Plan and execute a community service project to show how students can be productive in the community.		Financial Education BS 5.5 Examine and categorize the difference between needs and wants. BS 5.6 Create a budget based on a given amount of money.	
Standard 2	Identity in Belize BS 1.7 Investigate and locate on a map of the world the places from which the various ethnic groups originated or had settled before coming to Belize. BS 1.8 Research and create an annotated timeline to describe the emergence or first major arrival of the Creole, Garifuna, Mennonite, Mestizo, East Indian, Chinese, Middle Eastern, Central Americans and the modern Q'eqchi, Mopan and Yucatec ethnic groups.	African and Maya History BS 3.8 Identify and defend Africa as the birthplace of humanity. BS 3.9 Investigate and examine the different changes that occurred in the process of human adaptation. BS 3.10 Consider and trace the migratory patterns followed in the Out of Africa theory and the multiregional theory of populating the earth.	Sustainable Development and Climate Change BS 4.8 Present examples of positive and negative impacts of economic activity in a local community. BS 4.9 Reflect and form an opinion on laws or policies that are intended to minimize the negative environmental impact of economic activities. Civics Education BS 2.8 Observe and differentiate between the selection process of appointing or electing national and local government members.	Financial Education BS 5.7 Investigate and assess the advantages and disadvantages of a variety of financial institutions such as banks, credit unions and money lenders. BS 5.8 Debate the importance of expanding financial services to vulnerable groups e.g., single parents, rural areas, micro businesses. Road and Personal Safety BS 6.8 Defend and demonstrate ways to stay safe while traveling on a sea

Class	Cycle 1	Cycle 2	Cycle 3	Cycle 4
			BS 2.9 Discuss and create a diagram showing the main functions of the three branches of government.	vessel, including the wearing of life jackets or other flotation devices. BS 6.9 Deduce safe and unsafe ways to act while in and around swimming pools and water bodies such as streams, rivers and lakes.
Standard 3	Identity in Belize BS 1.9 Investigate and trace the voyage taken by different groups to come into Belize. BS 1.10 Hypothesize and report the factors that led to the migration and settlement of groups in Belize. African and Maya History BS 3.11 Design and annotate a Mundo Maya map highlighting the location of the major settlements of the Maya in the region and Belize. BS 3.12 Conduct research and design a chart comparing the similarities and differences in food, clothing, music, dance, games and technology between the Maya and another ethnic group. BS 3.13 Describe and illustrate some of the structures typically found in ancient	Civics Education BS 2.10 Investigate and explain the difference between the different forms of government such as monarchy, democracy, dictatorship, anarchy and oligarchy. BS 2.11 Compare and contrast the responsibilities of local and national government. BS 2.12 Observe and diagram the functions and compositions of the executive, legislative and judicial branches of government.	Financial Education BS 5.9 Distinguish and describe a range of commonly used business and banking terms including income, expense, deposit, withdraw, ATM machine, digital wallet, debit card and credit card. BS 5.10 Describe and dramatize ways of completing basic financial transactions both virtually and in person e.g., opening an account, depositing money, purchasing a product, withdrawing money, applying for a loan etc. BS 5.11 Speculate and conclude how spending choices are influenced by price, advertising, cultural norms and values, the spending choices of others, and peer pressure.	Sustainable Development and Climate Change BS 4.10 Demonstrate small tangible actions individuals can take to conserve and preserve resources. BS 4.11 Propose new ideas that a village, town or city council can carry out to protect and care for our local ecosystems so that resources are conserved and preserved. Road and Personal Safety BS 6.10 Respond appropriately to a variety of work safety hazards or potentially harmful situations at the workplace. BS 6.11 Create an action plan on how to make a particular work environment safe for all.

Class	Cycle 1	Cycle 2	Cycle 3	Cycle 4
	Maya cities e.g., sacbeob, cenotes, temples, ball courts etc.			
Standard 4	Identity in Belize BS 1.11 Investigate and design an annotated timeline detailing major events that have shaped our identity as a nation such as the Mayan Civilization, slavery, colonialism, Caste War, Anglo Guatemala Dispute, the arrival of the Garinagu and independence. BS 1.12 Examine and reframe the impact of major events that have contributed to the development of Belize's Identity such as the Mayan Civilization, slavery, colonialism, Caste War, Anglo Guatemala Dispute, the arrival of the Garinagu and independence. BS 1.13 Investigate and create a visual representation of key individuals and their contribution to the formation of Belize as a nation.	Civics Education BS 2.13 Differentiate between democracy and at least one other form of government system in the world. BS 2.14 Examine and retell the development of democratic processes in Belize from the public meetings to the present day. BS 2.15 Investigate and explore the important elements that make Belize a democracy, including the right to vote, freedom of speech, assembly and association, and the principle of equality before the law. Financial Education BS 5.12 Dramatize and discuss the benefits of financial freedom. BS 5.13 Design a financial management campaign based on the spending habits of teenagers. BS 5.14 Create and practice using a financial management plan to meet short-term and long-term goals.	African and Maya History BS 3.14 Identify and explain some important features of Africa, including its location, geographical size, climate, resources, people and landscapes. BS 3.15 Research and give examples of the main features of the three major West African Kingdoms: Ghana, Mali and Songhay such as location, economic activities and achievements. Sustainable Development and Climate Change BS 4.12 Investigate and report characteristics of the wet and dry seasons in Belize. BS 4.13 Outline and summarize key processes of the water cycle.	Road and Personal Safety BS 6.12 Investigate and evaluate the role of seat belts, child safety seats, bicycle and motorcycle helmets have in reducing the likelihood of death or severe injury due to road crashes. BS 6.13 Hypothesize and simulate how crashes are more likely to happen due to distractions and bad road safety practices, including speeding, driving while tired, driving while using a cell phone and ignoring road signs and markings. BS 6.14 Debate and give examples of actions a person can take to drive safely in a variety of conditions such as sharp curves, bridges and hills, poor visibility, parked cars and other obstructions, pedestrians and cyclists, and wet, uneven or pot-holed road surfaces.

Class	Cycle 1	Cycle 2	Cycle 3	Cycle 4
Standard 5	Identity in Belize BS 1.14 Discuss and trace the development of democratic processes in Belize from the public meetings to the present day. BS 1.15 Investigate and outline the causes, personalities and main events of the protest movements of the 1900s such as the Ex-servicemen revolt and the 1930's labour movement. BS 1.16 Design and analyse a timeline of major events leading up to Belize's Independence in 1981. African and Maya History BS 3.16 Investigate and decide what it means to be enslaved and why enslaved people were in Belize in the 1700s and early 1800s. BS 3.17 Examine and summarize some features of the lives led by enslaved people in Belize, including their place of origin, occupation, treatment, living conditions, and acts of resistance. BS 3.18 Explore and articulate the influence of chattel slavery on	Civics Education BS 2.16 Identify and illustrate the functions and compositions of the judicial branch of government and classify the different levels of courts such as the Magistrate's Court, Supreme Court, Court of Appeal, and the Caribbean Court of Justice. BS 2.17 Defend the importance of equity, transparency, and reform in our justice system.	Sustainable Development and Climate Change BS 4.14 Demonstrate an understanding of the connection between human activity and climate change. BS 4.15 Articulate visually, verbally or in writing, how climate change is likely to affect storms, hurricanes and wildfires in the future in terms of frequency or intensity, etc. Road and Personal Safety BS 6.15 Outline the roles and responsibilities of individuals, emergency responders, and the government of Belize in disaster risk management. BS 6.16 Analyze the vulnerability of the community where the school is situated to natural and man-made disasters.	Financial Education BS 5.15 Research and debate why people need money and illustrate different ways in which people earn money. BS 5.16 Examine and differentiate between a career and a job and outline factors to consider when selecting a career. BS 5.17 Investigate and cite the roles of entities responsible for protecting the rights of workers and consumers.

Class	Cycle 1	Cycle 2	Cycle 3	Cycle 4
	contemporary attitudes towards persons of African descent.			
Standard 6	Identity in Belize BS 1.17 Create a visual representation of what gives Belize its identity such as national symbols, people, landmarks, heritage, archaeological sites, etc. BS 1.18 Defend Belize’s geographical position as both a Central American and Caribbean country. BS 1.19 Design a campaign and propose actions by individuals and organizations encouraging patriotism in the preservation and protection of Belize’s national identity. African and Maya History BS 3.19 Investigate and account for the existence of chattel slavery in Belize. BS 3.20 Examine the methods used by enslaved peoples in Belize to resist enslavement and improve their working and living conditions. BS 3.21 Describe the major events in any particular resistance movement	Civics Education BS 2.18 Investigate the origins and explore the purpose of the Constitution as the supreme law of Belize. BS 2.19 Describe and rate the importance of the preamble of Belize’s Constitution. BS 2.20 Correlate and categorize some rights outlined in the Constitution and the Convention of the Rights of the Child, including the rights to a name, registration, nationality, care, free expression and protection from child labour and other forms of harm.	Sustainable Development and Climate Change BS 4.16 Demonstrate knowledge about the impacts of climate change on the well-being of people, ecosystems and economic activities. BS 4.17 Investigate and suggest actions that communities, organizations and governments have implemented or can implement to mitigate the impact of climate change. BS 4.18 Draft a plan that demonstrates a climate-smart school, community or neighbourhood.	Financial Education BS 5.18 Explore and document how people form businesses to meet customers’ needs while generating income for themselves. BS 5.19 Create and advertise a simple business plan for an idea using locally available resources that identifies potential customers, analyses start-up costs and describes how the business will make money. Road and Personal Safety BS 6.17 Examine and debate the importance of a range of public safety laws and regulations. BS 6.18 Design and execute an awareness campaign promoting a public safety law or regulation.

Class	Cycle 1	Cycle 2	Cycle 3	Cycle 4
	experienced by the enslaved people of Belize.
