

PHYSICAL EDUCATION LEARNING OUTCOMES FOR PRIMARY SCHOOLS, BY CLASS LEVELS AND TEACHING CYCLES

Class	Cycle 1: (Body Skills & Fitness)	Cycle 2 (Football)	Cycle 3 (Running, Jumping & Throwing)	Cycle 4 (Games with Bats, Balls & Nets)
Infant 1	PE 1.1 List and explain the rules for staying safe in a Physical Education class. PE 1.2 Move from place to place, forwards, sideways and backwards, by rolling, galloping, skipping, sliding, and leaping. PE 1.3 Make and demonstrate different shapes with the body that are wide, narrow, curled and twisted at low, mid and high levels. PE 1.4 Participate in a variety of movement patterns, while changing directions in response to a whistle or similar signal.	PE 2.1 Demonstrate passing and receiving techniques using the instep or side of the foot. PE 2.2 Perform a variety of dribbling drills around cones, marks on the ground or other safe obstacles. PE 2.3 Perform exercises on the spot such as arm curls, leg lifts and jumping up and down. PE 2.4 Control a moving ball with the feet while changing directions. PE 2.5 Participate in relay races with simple rules using a football.	PE 3.1 Participate in a series of obstacle courses which includes running, jumping and throwing. PE 3.2 Perform long jump by running forward and landing safely on both feet. PE 3.3 Move from place-to-place imitating how animals move, for example using crab walks, bunny hops and bear. PE 3.4 Participate in a short distance race for example running, hopping, galloping or jumping. PE 3.5 Participate in a variety of running events such as, relays, sprints, 30 meters or 50 meters in a straight line or to a specific point.	PE 4.1 Bounce a ball once and catch it with both hands and then with one hand. PE 4.2 Roll or throw a ball or bean bag to a specific area or target. PE 4.3 Strike a ball that is stationary, rolling along the ground or gently thrown with a hand or bat. PE 4.4 Run after a moving ball and return with it to a selected person or target. PE 4.5 Run to a specified point, touch the floor and run back again.
Infant 2	PE 1.5 Perform a variety of twisting, stretching and other on the spot exercises. PE 1.6 Execute a single jump rope with self-turned rope forward with single bounce and backward with single bounce.	PE 2.6 Kick a ball safely with the instep or side of the foot towards a partner or other target. PE 2.7 Change direction in a quick, controlled manner while playing dodging and chasing games.	PE 3.6 Navigate an obstacle course that requires a combination of running and jumping. PE 3.7 Jump forwards and backwards as far as possible, taking off and landing safely on either one or two feet.	PE 4.6 Catch a bean bag, ball or small object. Games with Bats, Balls and Nets. PE 4.7 Strike a ball that has been rolled or thrown towards a partner or other target with hand or bat.

Class	Cycle 1: (Body Skills & Fitness)	Cycle 2 (Football)	Cycle 3 (Running, Jumping & Throwing)	Cycle 4 (Games with Bats, Balls & Nets)
	PE 1.7 Demonstrate simple flexibility exercises and warm-up routines. PE 1.8 Perform balancing activities such as standing or hopping on one leg or standing with one knee up high.	PE 2.8 Dribble and control a moving ball with the feet in a straight path or with a zig-zag pattern to a specified point. PE 2.9 Run after a moving ball and kick it to a specified person or target. PE 2.10 Participate in a simplified game of football with a limited number of players on each team.	PE 3.8 Run as fast as possible in a straight line	PE 4.8 Participate in organised races, throwing events and ball games with simple rules.
Standard 1	PE 1.9 Jump a short rope non-stop for at least 10 seconds, turning the rope both forwards and backwards. PE 1.10 Skip using an individual short rope and a long rope turned by partners. PE 1.11 Demonstrate simple flexibility exercises, for example, stretching arms and legs as high and wide as possible in various directions and at various heights and by twisting and turning the body. PE 1.12 Move individually in general space, changing direction and speed, without interfering with other people while walking, hopping, running, or rolling on the floor.	PE 2.11 Demonstrate the proper way of taking a throw in, corner kick and goal kick. PE 2.12 Reduce open space by using locomotor movements, walking, running, changing size and shape in body in combination with movement concepts, reducing the angle in the space, reducing distance between player and goal. PE 2.13 Participate in small group games by passing a ball to a partner or shooting a stationary ball at a goal or other target with a short run up.	PE 3.9 Perform long jump taking off from one foot after a short run-up. PE 3.10 Perform and compete in races using obstacles or non-formal races. PE 3.11 Perform and compete in running races or walking race over a distance of approximately 50 metres	PE 4.9 Dribble a ball using one hand from one point to another. PE 4.10 Throw a tennis ball or volleyball to a partner or target and catch the self-tossed or thrown ball with both hands. PE 4.11 Strike a large ball on the ground to a stationary partner or target. PE 4.12 Participate in games involving striking an object and then running.

Class	Cycle 1: (Body Skills & Fitness)	Cycle 2 (Football)	Cycle 3 (Running, Jumping & Throwing)	Cycle 4 (Games with Bats, Balls & Nets)
	PE 1.13 Move in relation to a partner, for example, lead, follow, match, and dodge.			
Standard 2	PE 1.14 Maintain balance while stretching, curling, twisting, and transferring weight from one part of the body to another. PE 1.15 Maintain balance while moving, changing direction, and coming to an abrupt stop. PE 1.16 Skip a short or long rope continuously that is turned by self or others. PE 1.17 Execute flexibility exercises such as reaching as far as possible in different directions with the arms, lifting the knee to the chest and rotating outstretched arms in a circle, while sitting or standing. PE 1.18 Perform various stretches using static and dynamic activities.	PE 2.14 Dribble, pass and control a football in general space and through obstacles. PE 2.15 Kick a moving ball, using different techniques to hit a target or goal. PE 2.16 Apply combined skills in a simplified football game.	PE 3.12 Walk and run a given distance as quickly as possible. PE 3.13 Clear a low obstacle while moving. PE 3.14 Compete in non-formal activities and races. PE 3.15 Perform a standing long jump. PE 3.16 Throw a bean bag, small ball or other soft object as far as possible.	PE 4.13 Catch an object or small ball with either hand or both. PE 4.14 Throw a ball while stationary and while moving. PE 4.15 Strike an object consecutively using the hand or an implement and dribble a ball with dominant hand while stationary and while walking. PE 4.16 Compete in simplified bat and ball games and dribbling relay games.
Standard 3	PE 1.19 Transfer weight from one foot to another to maintain balance, while stationary or traveling, while moving different body parts in a variety of ways.	PE 2.17 Pass, dribble and control a football while changing pace and direction, using different techniques.	PE 3.17 Compete in non-formal activities, walking and running races. PE 3.18 Clear an obstacle while moving forward.	PE 4.17 Catch an object or small ball with either hand or both from varying distances, different speeds and heights.

Class	Cycle 1: (Body Skills & Fitness)	Cycle 2 (Football)	Cycle 3 (Running, Jumping & Throwing)	Cycle 4 (Games with Bats, Balls & Nets)
	PE 1.20 Perform a variety of jump rope skills and tricks using an individual short rope and a long rope turned by partners. PE 1.21 Perform a variety of on-the-spot exercises designed to develop strength and balance. PE 1.22 Execute a variety of stretches for flexibility that involve the arms, legs, neck, and lower back.	PE 2.18 Volley and half-volley a football to a specific target or goal from a variety of distances and angles. PE 2.19 Apply combined skills in modified games.	PE 3.19 Perform and compete in long jump. PE 3.20 Throw a bean bag, small ball or other soft object as far as possible.	PE 4.18 Throw a bean bag, small ball or other soft object as far as possible using a variety of techniques. PE 4.19 Volley a ball with hand in different directions and different speeds and dribble a ball with either hand while stationary or while walking. PE 4.20 Strike a ball that is moving in the air with a paddle, bat or racket. PE 4.21 Apply combined skills in modified games.
Standard 4	PE 1.23 Balance, symmetrically and non-symmetrically, on different bases of support, combining levels with shapes. PE 1.24 Create an original individual jump-rope routine that includes basic jumps with a short rope or long rope. PE 1.25 Create a jump-rope routine with a partner, using either a short or long rope that includes basic jumps and tricks such as star jumps, side straddles and jumping in and out of the rope. PE 1.26 Explain the importance of and perform basic stretching exercises and aerobic activities to warm-up the body.	PE 2.20 Control a passed football with the chest, legs or side of the foot and pass the football to a stationary and moving partner in a variety of ways. PE 2.21 Explain and apply football rules and tactics including commonly used team formations. PE 2.22 Shoot a stationary or moving football at a goal or other target from a variety of distances and angles. PE 2.23 Regain control of a football from another player with a safe, clean tackle.	PE 3.21 Combine walking, running, throwing and catching a bean bag or other soft object in a variety of relay games. PE 3.22 Participate in a running or walking race over a distance of approximately 60 metres and over longer distances to a maximum of 800 metres or half a mile. PE 3.23 Run slowly to leap over a series of low obstacles. PE 3.24 Participate in non-formal races such as hopping, three-legged, sack and lime and spoon races.	PE 4.22 Pass a basketball to a partner in a variety of ways while stationary or moving. PE 4.23 Catch and shoot consecutive basketballs at a target or hoop. PE 4.24 Dribble a basketball one handed or two handed while walking or running. PE 4.25 Participate in simplified basketball game applying basic dribbling, shooting and passing techniques.

Class	Cycle 1: (Body Skills & Fitness)	Cycle 2 (Football)	Cycle 3 (Running, Jumping & Throwing)	Cycle 4 (Games with Bats, Balls & Nets)
	PE 1.27 Maintain appropriate body shape while executing push-ups, sit-ups, squats, and other fitness exercises.	PE 2.24 Volley or half-volley a ball dropped from the hands to shoot it into a goal.	PE 3.25 Jump as far as possible taking off from one foot after a mid-length run-up. PE 3.26 Compare and contrast the techniques used when sprinting and running for speed.	PE 4.26 Explain and demonstrate the basic rules, tactics and techniques of basketball.
Standard 5	PE 1.28 Balance on either leg, demonstrating muscular tension and extensions of free body parts. PE 1.29 Perform a routine that includes a variety of postures and body movements while balancing on a painted line. PE 1.30 Discuss the importance and benefits of stretching and safely perform a variety of stretching exercises. PE 1.31 Participate in fitness exercises that increase flexibility, muscular strength, and muscular endurance. PE 1.32 Create an original routine that combines a variety of twisting, curling, bending, and stretching actions.	PE 2.25 Identify the roles of the eleven positions on a football team and present on one of the roles. PE 2.26 Shoot a ball to an identified target or goal with the four-step technique. PE 2.27 Explain and demonstrate the standing position technique to hold a ball from a shot. PE 2.28 Demonstrate how to control a passed football with the legs or side of the foot and how to pass it to a stationary or moving partner in a variety of ways.	PE 3.27 Participate in a fast-running race over a distance of approximately 80 metres. PE 3.28 Participate in races to walk or run over longer distances to a maximum of 1500 metres or one mile. PE 3.29 Run slowly to leap over a series of low obstacles. PE 3.30 Participate in non-formal races to demonstrate hopping, three-legged sack jumping and lime and spoon techniques. PE 3.31 Jump as far as possible, taking off from one foot after running halfway on the runway path. PE 3.32 Throwing a bean bag or other soft object to targets, demonstrating different foot, body and arm positions.	PE 4.27 Demonstrate the underhand or overhand serve during a volleyball game. PE 4.28 Return a volleyball that has been served over a net by striking it either with or without catching it first. PE 4.29 Pass a volleyball a short distance to a partner so they may strike it over a net. PE 4.30 Demonstrate passing, volleying, and striking techniques while participating in simplified volleyball games. PE 4.31 Explain and demonstrate at least 5 basic rules and correct technique to serve or cross the ball over the net.

Class	Cycle 1: (Body Skills & Fitness)	Cycle 2 (Football)	Cycle 3 (Running, Jumping & Throwing)	Cycle 4 (Games with Bats, Balls & Nets)
Standard 6	PE 1.33 Perform, individually or with a partner, original jump rope routines that include basic jumps and tricks. PE 1.34 Perform a variety of high and low kicks and turns while maintaining balance. PE 1.35 Perform balancing on stilts for several minutes. PE 1.36 Explain the importance of and perform simple warm up or cool down routines that includes a variety of light aerobic exercises and stretches. PE 1.37 Demonstrate appropriate posture while performing different exercises with different variations.	PE 2.29 Control a passed football with the chest, legs or side of the foot and immediately pass it to a partner. PE 2.30 Identify and demonstrate a range of goalkeeping techniques. PE 2.31 Dribble a football showing control of pace and direction and demonstrate how to regain possession of a ball from another player with a safe, clean tackle. PE 2.32 Participate in and demonstrate an understanding of tactics in a modified football game.	PE 3.33 Describe and report on the main events of a track and field meet. PE 3.34 Organize and compete in various walking or running races over longer distances. PE 3.35 Organize and compete in non-formal races such as hopping, three-legged, sack and lime and spoon races. PE 3.36 Jump as far as possible taking off from one foot after a mid-length run-up. PE 3.37 Throw a bean bag or other soft object as	PE 4.32 Strike a small ball that has been thrown from a distance, with a bat. PE 4.33 Catch a small ball that has been struck or thrown at varying heights Softball and from varying distances. PE 4.34 Throw a small ball accurately to a partner or at a target. PE 4.35 Explain the basic rules, tactics and techniques of softball or cricket and participate in simplified softball or cricket games.
